Mobile device insurance

Eligibility

You are eligible for Mobile Device Insurance when You purchase a Mobile Device anywhere in the world, and You:

- 1. charge the Total Cost to Your Account. If the Mobile Device is equipped with cellular data technology, You must also activate Your Mobile Device with a Provider; or
- 2. charge any portion of the Total Cost that is required to be paid up-front to Your Account, fund the balance of the Total Cost through a Plan, and charge all monthly wireless bill payments to Your Account for the duration of Your Plan; or
- 3. fund the Total Cost through a Plan and charge all the monthly wireless bill payments to Your Account for the duration of the Plan.

Coverage period

Mobile Device coverage takes effect on the later of:

- 1. 30 days from the date of purchase of Your Mobile Device; and
- 2. the date the first monthly wireless bill payment is charged to Your Account.

Mobile Device coverage ends on the earliest of:

- 1. two years from the date of purchase;
- 2. the date ONE monthly wireless bill payment was not charged to Your Account, if You are funding the Total Cost of Your Mobile Device through a Plan;
- 3. the date the Account ceases to be in Good Standing; and
- 4. the date You cease to be eligible for coverage.

Benefits

If a Mobile Device is lost, stolen or suffers mechanical breakdown or Accidental Damage, upon approval, and as directed, by the Insurer, You can proceed with the repair or replacement of Your Mobile Device. You will then be reimbursed the repair or replacement cost, not exceeding the depreciated value† of Your Mobile Device at date of loss, less the deductible††, to a maximum of \$1,000, subject to the terms, exclusions, and limitations set out in this Certificate of Insurance.

Reimbursement will be issued only upon the Insurer receiving evidence that the Mobile Device was repaired or replaced, and the cost of repair or replacement has been charged to the Account. A replacement Mobile Device must be of the same make and model as the original Mobile Device, or in the event the same make and model is not available, of like kind and quality with comparable features and functionality as the original Mobile Device.

† The depreciated value of Your Mobile Device at date of loss is calculated by deducting from the Purchase Price of Your Mobile Device, the depreciation rate of 2% for each completed month from the date of purchase.

†† The amount of the deductible is based on the Total Cost of Your Mobile Device less any applicable taxes, as determined from the following table:

TOTAL COST (LESS TAXES)	APPLICABLE DEDUCTIBLE
\$0 - \$200	\$25
\$200.01 - \$400	\$50
\$400.01 - \$600	\$75
\$600.01 or more	\$100

For example: If You purchase a Mobile Device for a Purchase Price of \$800 (\$700 + \$100 in applicable taxes) on May 1, and file a claim on January 21 of the following year, the maximum reimbursement will be calculated as follows:

1. Calculation of the depreciated value of Your Mobile Device:

PURCHASE PRICE	\$800
LESS DEPRECIATION COST (2% X 8 MONTHS X \$800)	-\$128
DEPRECIATED VALUE	\$672

2. Calculation of the maximum reimbursement:

DEPRECIATED VALUE	\$672
LESS DEPRECIATION COST (BASED ON TOTAL COST)	-\$100
MAXIMUM REIMBURSEMENT	\$572

In the event You file a valid repair claim and the cost of repair is \$500, including applicable taxes, upon approval of Your claim, the maximum reimbursement available to You will be \$500.

In the event Your Mobile Device is lost or stolen and, upon approval of Your claim, You purchase a replacement Mobile Device for a price of \$800 including applicable taxes, the maximum reimbursement available to You will be \$572.

All claims are subject to the terms, conditions, exclusions, and limitations set out in this Certificate of Insurance.

General provisions and statutory conditions

Unless otherwise expressly provided herein or in the Policy, the following general provisions apply to the benefits described in this Certificate of Insurance.

Notice and Proof of Claim

Written notice of claim (on a claim form or online at cardbenefits.assurant.com) must be submitted as soon as reasonably possible after the occurrence or commencement of any loss covered by the Policy, but in all events must be provided no later than 90 days from the date of loss.

The appropriate completed claim forms, together with written proof of loss, must be delivered as soon as reasonably possible.

Failure to provide notice or furnish proof of claim within the time prescribed herein does not invalidate the claim if the notice or proof is given or furnished as soon as reasonably possible, and in no event later than 1 year from the date the loss occurred if it is shown that it was not reasonably possible to give notice or furnish proof within the time so prescribed. If the notice or proof is given or furnished after 1 year, Your claim will not be paid.

Payment of Claims

Benefits payable under the Policy will be paid upon receipt of full written proof of loss, as determined by the Insurer. Payment made in good faith in respect of a claim will discharge the Insurer to the extent of that claim.

Gifts

Mobile Devices and eligible items that You give as gifts are covered. In the event of a claim, You, not the recipient of the gift, must make the claim for benefits.

Pair or set

When the covered item is part of a pair or set, You will receive no more than the value of the particular part or parts lost or damaged regardless of any special value that the item may have as part of an aggregate purchase price of such pair or set. The Insurer, at its sole option, may elect to repair or replace the item lost or damaged (whether wholly or in part).

Other Insurance/Protection

Benefits are in excess of all Other Insurance/Protection available to You in respect of the covered item or Mobile Device subject of a claim. Once all Other Insurance/Protection has been claimed under and exhausted, the Insurer’s liability is only for the amount of the loss or damage not covered by Other Insurance/Protection and for the amount of any applicable deductible, subject to the terms, exclusions and limits of liability set out in this Certificate of Insurance.

This coverage will not apply as contributing insurance, notwithstanding any provision in any Other Insurance/Protection.

Termination of Insurance

Insurance terminates on the earliest of:

1. the date the Account is cancelled or closed; and
2. the date the Policy terminates.

No losses incurred after the Policy terminates will be paid, unless otherwise specified.

Subrogation

Following payment of a claim under the Policy, the Insurer will be subrogated to the extent of the amount of such payment, to all of the rights and remedies of the Cardholder against any party in respect of such loss or damage and will be entitled at its own expense to sue in the name of the Cardholder. The Cardholder shall give the Insurer all such assistance as is reasonably required to secure its rights and remedies, including the execution of all documents necessary to enable the Insurer to bring suit in the name of the Cardholder.

Due Diligence

You must use diligence and do all things reasonable to avoid or diminish any loss of or damage to property protected by the Policy.

False Claim

If You make a claim knowing it to be false or fraudulent in any respect, You will no longer be entitled to this insurance, nor to the payment of any claim under the Policy.

Legal Action

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act*, *Limitations Act*, or other applicable legislation in the Primary Cardholder’s province or territory.
